

MasterWorks Ultra¹⁰⁰ Kraftback™ Beverage

MasterWorks Ultra 100 – Kraftback™ Beverage is a cost effective 100% recycled alternative to virgin paperboard grades. Its increased kraft fiber content creates a dark brown backside shade and enhanced stiffness characteristics. Offered in a wide range of calipers, it is built to meet the challenging demands of beverage carrier applications.

FEATURES:

- > 100% recycled fiber content
- > Special additives for wet strength
- > Wide caliper range from .012 to .030
- > Kraft backside shade
- > Meets RPA-100% symbol requirements
- > FSC Certified
- > High stiffness & low grain ratio for extra strength
- > Exceptional runability & performance

MasterWorks Ultra 100 is also available in...

Whiteback • Kraftback • Freeze
